Lenten Cross Litany

During the singing of the first hymn, the symbols of our Lord's suffering will be removed from the cross and taken to the Ministers vestry at the back of the church.

Reading: Matthew 28: 1-7.

During the singing of the second hymn, those who have removed the symbols will come forward with flowers to place on the cross, followed by members of the congregation, covering the cross in flowers as a sign of Easter. We use the usual one way system around the church to avoid congestion at the front of the church.
